

79th ESAB Meeting

EuropaBio - The European Association for Biotechnology Industries, Avenue de l'armée 6, Meeting Room, B-1040 Brussels, Belgium, www.europabio.org

November 24, 2017, 10.00 – 17.00 h

Agenda

1. Word of welcome; adoption of the agenda
2. Presentation: Bioeconomy by Alfredo Aguilar, Chairman Task Force Bioeconomy European Federation of Biotechnology
3. Presentation: Opportunities and Challenges for Industrial Biotech in the EU by Joanna Dupont-Inglis, Director Industrial Biotech, EuropaBio and Agnes Borg, Manager Industrial Biotech, EuropaBio
4. Coffee Break
5. Update on Asian-European Cooperation in Biocatalysis
6. Minutes of the 78th ESAB SciCom meeting in Budapest, Hungary
7. EFB Executive Board information (report by Roland Wohlgemuth)
8. Actualisation of list of delegates: New Member for Switzerland
9. Past activities:
 - a. 13th International Conference on Renewable Resources and Biorefineries, RRB-13, 7-9 June 2017, Wroclaw, Poland, <http://www.rrbconference.com/>
 - b. 13th Int. Symposium on Biocatalysis and Biotransformations, BIOTRANS2017, 9-13 July 2017, Budapest, Hungary, <http://www.biotrans2017.com/>
 - c. Biocatalysis2017, 25-30 June 2017, Moscow, Russia, <http://biocatalysis.ru/index.php/en/program-menu-eng>
 - d. First Joint sessions AFOB-EFB on Enzyme/Catalysis at the 13th Asian Congress on Biotechnology, 23-27 July 2017, Khon Kaen, Thailand, <http://www.acb2017thailand.org>
 - e. 13th STRENDA Meeting, 18 September 2016, Rüdeshheim, Germany <http://www.beilstein-institut.de/en/projects/strenda/meetings>
 - f. Enzyme Engineering XXIV, 24-28 September 2017, Toulouse, France <http://www.engconf.org/17184-2/enzyme-engineering-xxiv>

79th ESAB Meeting

EuropaBio - The European Association for Biotechnology Industries, Avenue de l'armée 6, Meeting Room, B-1040 Brussels, Belgium, www.europabio.org

November 24, 2017, 10.00 – 17.00 h

Agenda

10. Future activities:
 - a. Amine Biocat 3.0, 11-13 December 2017, Manchester, UK
www.aminebiocat3.com
 - b. 4th Multistep Enzyme Catalyzed Processes Congress, MECP18, 19-22 March 2018, Trondheim, Norway, <https://www.ntnu.edu/web/mecp18>
 - c. 14th Internat. Conference on Renewable Resources and Biorefineries RRB-14, 30 May-1 June 2018, Ghent, Belgium, <http://www.rrbconference.com>
 - d. 18th European Congress on Biotechnology, ECB2018, 1-4-July 2018, Geneva, Switzerland, <http://www.ecb2018.com>
 - e. 9th International Congress on Biocatalysis- biocat2018, 26-30 August 2018, Hamburg, Germany, <http://www.biocat-conference.de>
 - f. 14th STRENDA-Meeting, September 2018, Manchester, UK
 - f. 6th International Conference on Novel Enzymes, 9-12 October 2018, Darmstadt, Germany, <https://novelenzymes2018.eu>
 - g. 12th International Conference on Protein Stabilisation, ProtStab2018, May, Vilnius University, Lithuania
 - h. 13th Carbohydrate Bioengineering Meeting CBM13, 2019, Toulouse, France
 - i. 5th International Conference Implementation of Microreactor Technology in Biotechnology IMTB 2019
 - j. BIOTRANS2019, Groningen, The Netherlands
 - k. 5th Multistep Enzyme Catalyzed Processes Congress, MECP20, Aachen
 - l. 6th Internat. Conference on Biocatalysis in Non-Conventional Media BNCM2020
 - m. 7th International Congress on Novel Enzymes, October 2020
 - n. Other activities
11. Biocatalysis Courses
12. Working Groups: WG on Reporting of Biocatalytic Reactions, STRENDA DB
13. Biocatalysis Network Activities
14. AOB
15. Next SciCom Meetings 2018
